ALL HEADS OF GOVERNMENT PRIMARY SCHOOLS
ALL HEADS OF GOVERNMENT SECONDRY SCHOOLS

It has come to our notice that schools through their SDAs are carrying out maintenance works without consulting the Ministry of Education, Sport, Arts and Culture or the Ministry of Public Works and National Housing.

All works and inspections must be done and supervised by the Ministry of Education, Sport, Arts and Culture and the Ministry of Public Works and National Housing to ensure that government buildings, plant and equipment are properly maintained and that maintenance standards are not compromised.
