**RE: SPB CIRCULAR NUMBER 1 OF 2015: REVISED TENDER THRESHOLDS AND SALE OF TENDER DOCUMENTS.**

Please note that the State Procurement Board has revised the tender thresholds through SPB Circular No 1 of 2015.

The Ministry has also noted with concern the variations in prices charged for the sale of tender documents by our schools. The same circular addresses this problem with standard tender documents being charged a maximum of \$10 while tender documents for construction should be charged a maximum of \$80.

Please ensure that all schools are advised accordingly as failure to adhere to these charges may result in the members concerned being charged.

Attached is a copy of SPB Circular No 1 of 2015.

B. Wenjere  
For Secretary for Primary and Secondary Education.
